

WHY CHOOSE HABITAT GATE CO?

Not only are you supporting a family owned and operated business but our design specialist will walk you through the entire process, helping you select the colour and design that is right for your home. Let our exterior designer come to your home, discuss your colour and design options, take accurate measurements using the latest in technology and provide a fast, competitive quote. We will custom make your gate locally using only tried and tested quality components with superior colour finishes.

We will have it installed in no time with licensed QBCC installers.

OUR PROMISE

Exceptional tradespeople with outstanding customer service and communication from quote to installation.

We arrive on time.
Every time!

Enhanced safety for your family and pets.

Boost privacy and security.

HIGH QUALITY

A wide range of locks and automatic options, using only quality, tried and tested components.

Enhance your home's street appeal with our premium finishes in 200+ stunning powder coat colours, adding value and architectural flair.

Plus, get aluminium gates at builder's prices!

CUSTOMISED

We discuss your design and security requirements and ensure top-quality delivery.

Our master craftsman custom makes your aluminium gate for a perfect fit.

Our architecturally appealing gates come in a wide range to suit any home.

We are a Gold Coast family owned and operated business.

HABITAT GATE CO

is one of the Gold Coast's most reliable and trusted suppliers of affordable, quality aluminium gates in a wide range of colours and designs to suit every home. Whether you're building or renovating, our exterior designer will be able to assist in your pedestrian entry, swing or sliding gate with automatic openers and optional accessories available for ease of access.

ARCHITECTURAL CUSTOM DESIGNS AUSTRALIAN MADE BY MASTER CRAFTSMEN

Superior quality finishes!

ALUMINIUM SLATTED OR LOUVERED GATES

Our aluminium gates are custom made to suit your opening. Fabricated on the Gold Coast with aluminium which is welded and powder coated in a wide range of colours to last in our harsh Australian conditions.

Whether it's a driveway entry, pedestrian access or side garden gate we will assist with a design to suit.

We also manufacture fence in fills, fence toppers or privacy decorative screens to match.
